Conditions of Enrollment

Applicant Acknowledgments and Agreements

On behalf of myself and the dependents listed on the reverse side, I agree to or with the following:

1. I acknowledge that by enrolling in an Aetna U.S. Healthcare plan, coverage is provided by Aetna U.S. Healthcare and/or affiliated insurance company (Corporate Health Insurance™ Company or U.S. Health Insurance Company).
2. Enrollment of myself and of the listed dependents into the plan is effective on acceptance by Aetna U.S. Healthcare.
3. Coverage and benefits are contingent on timely payment of premiums and may be terminated as provided in the plan documents. My employer is hereby authorized to withhold payments from my wages as appropriate.
4. As a condition of coverage, I understand and agree that referred benefits (with the exception of emergency procedures and certain direct access services as defined in the plan documents) all services, in order to be covered by Aetna U.S. Healthcare, must be performed either by a participating primary care physician, or by the participating specialist, hospital, pharmacy, dentist, or other provider as authorized by a referral from a participating primary care physician*.
5. I agree to make copayments, as provided for in my plan documents, directly to providers of health care.
6. I understand that Aetna U.S. Healthcare considers member health information private and confidential and has policies and procedures in place to protect it against unlawful use and disclosure. In addition, the providers, vendors, and consultants who help Aetna U.S. Healthcare administer its health benefits plans are required by contract to keep member information confidential, consistent with applicable law. Providers also must give members access to their medical records at any time. Aetna U.S. Healthcare discloses member health information to providers (doctors, pharmacies, hospitals and other providers and facilities), payors (including self-funded plan sponsors), vendors, consultants, and government authorities with jurisdiction - and use the information internally - when necessary for my care or treatment, operation of my health plan, or to conduct related activities. For example, Aetna U.S. Healthcare uses and discloses health information to administer benefits policies and contracts (which may include activities like claims payment, utilization review and management, medical necessity review, coordination of care, benefits, and other services, auditing, anti-fraud activities, plan-related analysis and reporting, and others described below); operate preventive health, early detection, and disease and case management programs; perform quality assessment and improvement activities; conduct performance measurement, outcomes assessment, and health claims analysis and reporting; manage our data and information systems; comply with legal or regulatory requirements; conduct litigation and similar proceedings; transition policies and contracts to or from other insurers, HMOs, and third party administrators; and facilitate due diligence proceedings in connection with the purchase or sale of benefits plans. By enrolling in the plan, I authorize these uses and disclosures on behalf of myself and my listed dependents. I acknowledge that I or an individual entitled to act on my behalf, am entitled to receive a copy of this authorization upon request, and that a photocopy is as valid as the original.
7. The plan documents will determine the rights and responsibilities of member(s) and will govern in the event they conflict with any benefits comparison, summary or other description of the plan.
8. I authorize the substitution of generic pharmaceuticals for the brand-name products, as provided by law, for prescriptions filled under any pharmacy benefit.
9. I understand that this coverage will remain in effect until my employer's next open-enrollment period regardless of the continued availability of a particular primary care physician or other health care provider.
10. I acknowledge that Aetna U.S. Healthcare's participating providers, including all participating primary care physicians, are independent contractors and are neither agents nor employees of Aetna U.S. Healthcare.

* *Some services may require prior authorization from Aetna U.S. Healthcare. Certain plans only provide coverage for referred benefits.*

Your enrollment in Aetna U.S. Healthcare and accessing of your benefits signifies your agreement to these conditions, which are subject to change.
